Attached is DFAS Interim Change 31-97 to Chapter 10 of the DoDFMR, Volume 7A. It is effective October 6, 1997.

This change designates Rwanda as an Imminent Danger Pay area.

Due to the routine nature, non-interpretive aspect and minimal perceived systems impact of this change, it was not submitted for preliminary review and comment. Assignment of an interim change number is your authority to start a procedural modification to facilitate this change. For the Denver Center, use the attached to initiate the formal printed change to the DoDFMR and the interim change message.
